

Arkansas Donor Family Quilt Guidelines

An Invitation to Donor Families

The Arkansas Regional Organ Recovery Agency invites you to participate in the making of the Arkansas Donor Family Quilt. We already have one Donor Family Quilt completed, and we are in the process of completing our second quilt. It will be dedicated to the memory of those who gave the *Gift of Life*. Each square incorporates pieces of memories into pieces of materials to commemorate the love and the life of your loved ones. The quilt will be displayed statewide, and at media related events to help spread the message of organ and tissue donation, and to keep alive the memory of those who gave.

We are asking donor families who are planning on attending ARORA's *Donor Family Recognition Ceremony* on April 21, 2007 at Next Level Events in Little Rock to bring their quilt squares with them to pin on the donor quilt during the ceremony. If you do not plan to attend the ceremony, but you would like to send in your square to be included on the donor quilt, please send quilt squares to the address below.

Requirements for all Quilt Squares:

- Squares should be cut into an at least a 10 X 10 inch square.
- Finished size for the quilt squares will be 8 X 8 inches. (DO NOT let any of your design touch or go outside this line, or it will not be seen.)
- Fabric should be 100% woven cotton (any color). Never use knits.
- When transferring photos to fabric, always use pre-washed, bleached, high quality muslin that has a tight weave. This keeps the color and print very clear.
- Be creative!

Please send finished quilt squares to: ARORA
