

In Loving Memory

Clifford Happy

June 10, 1963 to September 30, 2014

**GIVER OF LIFE
THROUGH DONATION**

Words of Remembrance

Cliff was a loving husband, father, grandfather, son, brother, uncle and friend. He was an exceptional Marine for 22 years, but his true passion and calling beyond his family was the teaching and mentoring he did with middle school and high school students for the last 12 years. We truly believe that when he was called home he left this place with no regrets knowing he lived every day as if it were his last.

His favorite song was Time Stand Still by Rush:

I'm not looking back

But I want to look around me now

Time stand still

See more of the people and the places that surround me now

Freeze this moment a little bit longer

Make each impression a little bit stronger

The family's wish is that all the people who were touched by Cliff's life would follow in his footsteps by considering becoming an organ donor. Much comfort is found by Cliff's family that in this tragedy 4 lives were saved with his organ donation and an unknown number of lives will be enhanced from his tissue and cornea donation.
