Words of Remembrance

“Have courage for the great sorrows of life and patience for the small ones; and when you have laboriously accomplished your daily task, go to sleep in peace. God is awake.”

-Author-Victor Hugo

To our mother, wife, sister and friend;
Forever we love you, forever we remember you
and forever your presence lives in our soul.
You gave us life and you continue to give life.
The world will know the magnitude of who you
are to all of us.
We love you.
