## *Words of Remembrance*

My love, my heart, my husband dear.  
You were my best friend and soulmate.  
No matter what imperfections you  
thought you had, you were always  
perfect for me. My other half who  
loved so deeply and whole heartedly  
for all those you care for. Our children  
loved your playful ways, endless  
laughs and late night talks. Family,  
Fishing, Grilling and Gaming were  
your favorite past times. Loving whole  
heartedly your friends and family, and  
helping those in need always just came  
to you instinctively with no question  
or thought to pause. My perfect half  
Jason, I love you.
