Words of Remembrance

I don't need to tell anyone in this room why my son was one of the most amazing people you could have met. Each of us has our own story and memories of Johnathan to know that he was somebody special.

Although he was taken from us long before his time, I know he has influenced everyone who has ever known him in a way that will live with us forever. It is true that it is much sadness here today, but we all know that Johnathan wasn't the kind of person who endures sadness.
