

In Loving Memory

Kenneth Fultz
January 19, 1989 to
September 7, 2014

***Giver of Life
Through Donation***

Words of Remembrance

Kenneth Allen Fultz was a father, son, brother, and a friend to many.

There was no such thing as a stranger in his eyes. He saved lives by being an organ donor. Which was understandable since he lived his life by doing, giving and loving others.
