GIVER OF LIFE  
THROUGH DONATION

## Words of Remembrance

“Time is such a beautiful, funny, & yet tragic thing. It passes us by so quickly, that sometimes we forget to treasure what we have. In the painfully short 23 years of moments that I have had with you Shan, I cherish it all – every laugh, fight, and tear. I love you and miss you more than you will ever possibly know baby sister.”  
– Rhianna

“So young, beautiful, so alive, and so much a part of me. My Shannon, my baby girl, I will see you again when the good Lord is ready for me to, but until that day comes just know that I miss you and love you so, so very much”  
– MOM

“You always had a twinkle in your eye, and an infectious smile; ready to help anyone you possibly could. You wanted to help so much that you gave the Gift of Life so that others would live on.”  
– DAD

“She had a sweet & tender heart, with a unique look on the world & a love for her family that would amaze you. Shannon was a smart, charming and all round beautiful person.”  
– Randy Hudson
