## *Words of Remembrance*

Christopher was a wonderful man and an inspiration to those who knew him. He loved to hunt, fish, play football and the Seahawks. Christopher believed and lived his life by the saying, "You can do anything you set your mind to even if people say you can't." He had a wonderful smile and a heart of gold; he would have given the shirt off his back to anyone who needed it. But most of all he liked to make people smile and kid around. He is gone but will never be forgotten he will live on in the hearts and minds of those who love him.

We love you Chris man!

Love all your family and friends.
