## Words of Remembrance

As I sit in heaven and watch you every day, I try to let you know with signs that I never went away. I hear you when you're laughing and I watch you as you sleep, I even place my arms around you to calm you as you weep. I see you wish the days away begging to have me home, so I try to send you signs so you know you aren't alone. Don't feel guilty that you have life that is denied to me, Heaven is truly beautiful just you wait and see. So live your life and laugh again, enjoy yourself and be free. Then I will know with every breath you take, you'll be taking one for me.

Death leaves a heartache no one can heal, love leaves a memory no one can steal. May Tandy live on in those she helped heal. Until we meet again...
