Words of Healing

He came into this world fighting for life, and he made sure to live it to its fullest. To know him was to love him and laugh with him. He was a loving Husband, Father, Son, Brother, Uncle, and Friend.

He could turn a bad day around with his humor. They say laughter is the best medicine, and if this is true we have a lifetime of memories of him making us laugh and putting smiles on our faces.

This world won't be the same without him in it. I have a feeling when he walked through those Pearly Gates God said Well Done My Child.
